

Question: How are Investigative Fees Tiered by MGC and How Many Properties are in each Tier?

Answer:

- Payments are made quarterly
- \$325K annually for those with more than 1,500 gaming devices
- \$250K annually for those with between 1,000 and 1,499 gaming devices
- \$150K for those with less than 1,000 gaming devices.

By region it breaks down as follows:

Lower River (Natchez to Greenville):

- 1 casino pays the \$325K
- 7 others pay \$150K

Tunica Region:

- 4 casinos pay \$250K
- 5 pay \$150K

Coastal Region:

- 3 casinos pay \$325K
- 3 casinos pay \$250K
- 5 casinos pay \$150K

This can vary if machines are added or removed during the year, but that is the snapshot of how it is right now (as of 9/15/2015).
